

IPOKRATES Foundation Clinical Seminar

Infectious Diseases and Immunologic Disorder in the Newborn

Faculdade de Ciências Médicas. Campo dos Mártires da Pátria, Lisbon, Portugal
October 10 - 12, 2012

Objectives

IPOKRATES seminars provide high-quality postgraduate education which enables professionals to keep abreast of the most recent developments, and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This seminar deals with the understanding and management of infectious and immunological diseases in the newborn.
